

## What are the rules for the TASC Program?

### Funding Authority

Authority: The TASC program is authorized by section 3205 of Public Law 107-171. TASC regulations appear at 7 CFR part 1487.

### Final Rule

#### Major changes as a result of the Final Rule are:

1. **Funding cap:** Currently, TASC proposals which request more than \$500,000 in a given year will not be considered (was \$250,000)
2. **Length of activities:** Currently, TASC proposals which request funding for activities that exceed five years in duration will not be considered (was three years)
3. **Multiple proposals:** Currently, Applicants may submit multiple proposals but no TASC program participant may have more than five approved projects underway at any given time (was three approved projects)
